Bath Trust Company,
Bath, Maine.

Gentlemen:-

I certify to you that I have examined the title of Base Isroal to real estate on Washington Street, occupied by their synagogue building now in process of erection; from the date of the former mortgage taken by this bank down to the present time. I find the title to be good and free from incumbrances of record in the Registry of Deeds. The property is not subject to taxation.

Yours very truly,

WSG:RMC
