325 HARVARD STREET
BROOKLINE 46, MASS.

My dear Mrs. Goldsby, -

I have just been informed by the National Office that they have received a check from the Augusta - Gardiner Chapter, of \$600. I have credited this to your Chapter today, and will notify the Convention Bulletin Editor so that it may be included with all the other Chapters in time for the Convention.

May I say that we are very proud of you all, for the wonderful way you are trying to complete your House in New Haven - the New England Village. Our sincere thanks to all those who have participated in this most worthwhile project.

Yours, most sincerely,
Mrs. (Mrs. B.) Rose M. Sedlis.

Dear Mrs. Goldberg:

Your recent letter addressed to Mrs. Kramarsky has been referred to the membership department.

I have effected the change in Mrs. Stiman's life membership from the Portland Chapter to the Augusta-Gardiner Chapter in our book-keeping and mailing records. However, it will be necessary to have her complete address before we can enter her name on the Newsletter listing.

Life Membership rebates are issued on a yearly basis at the end of the fiscal year, usually in November, on the basis of \$1.25 per member. You will, therefore, receive a check for Mrs. Stiman's membership at the end of the current fiscal year.

We look forward to hearing from you soon.

With cordial Hadassah greetings,

Sincerely,

Elsie Wolf, Secretary
for Chapter Correspondence

Dear Mrs. Goldberg:

We acknowledge with sincere thanks receipt of your remittance in the sum of \$875, which we have allocated as follows:

HMO	\$ 50	Youth Activities	\$ 15
Youth Aliyah	150	JNF	50
Child Welfare (HYS)	60	Medical School	50
Youth Aliyah Housing Unit		\$500	

We want to congratulate you on the devotion and effort that has gone into the completion of all your commitments for the current fiscal year 1949-50, and the 25% oversubscription of your HMO quota. As a permanent award for the Augusta-Gardiner Chapter for oversubscribing HMO by 25%, its name will be inscribed on the permanent wall plaque which will be set up across an entire wall in one of our four hospitals in Jerusalem.

It is very heartening indeed to have the cooperation of the members of your chapter in supporting our various projects. Your efforts will help make it possible for Israel to absorb the 15,000 immigrant children expected to arrive there this year, and to provide for their health, education and vocational training.

We hope that in the near future your chapter will see its way clear to completing a housing unit, against which we have \$1000 applied to your account to date.

With cordial Hadassah greetings,

Sincerely yours,

Anna Tulin (s)

Dear Mrs. Goldberg:

Thank you so much for forwarding to us your check for \$750 for Youth Aliyah housing, for which we are enclosing our official receipt. Our records coincide with yours, and you are credited in this office with now having forwarded to us \$1750, leaving a balance, as you say, of \$750 on your pledge toward a \$2500 housing unit.

In line with your request that the figures be made available in time for the regional conference, I have sent a copy both of your letter and of our answer to Mrs. Sedlis, the Youth Aliyah housing chairman for the New England Region for her records, so I am sure that your account will be in order by the time the conference takes place. You may well be proud of your accomplishments and I have no doubt that this year you will receive full recognition for the large sum remitted by a small chapter.

May we wish you continued success in all your efforts for Hadassah.

Sincerely yours,

Esther B. Ellis

Dear Mrs. Goldberg:

We acknowledge with many thanks the receipt of your check for \$150 for Youth Aliyah housing, for which we are enclosing our official receipt.

Your statement at the bottom of the remittance form we find, on consulting our records, is correct. Your payments toward your housing unit total \$1150, leaving a balance of \$1350 on a \$2500 housing unit pledge. At the same time we notice that all of your quotas have been completed and would like to congratulate, through you, the members of the Augusta Gardiner Chapter for this wonderful effort they are making for Youth Aliyah housing in a time when housing presents probably the most important problem with which the State of Israel must deal. The fact that your members are responding so generously to this need speaks very highly for their understanding and devotion to the needs of Youth Aliyah's wards.

Again, our deep appreciation for this extraordinary effort being made over and above the obligations of the chapter to all of Hadassah's projects.

Cordially yours,

Arthur H. Ellis
