Dear Mr. Score:

Mr. Simon Glaser, President of the Augusta-Gardiner Chapter of Hadassah has sent us a generous contribution for the new Medical Center which has been contributed by her chapter in memory of your wife, Sarah Score. Our certificate of thanks for this gift is enclosed.

The name of your wife will be inscribed in the Book of Memory which will be permanently displayed in the Hall of Honor in the new hospital to be built in Jerusalem.

I am certain it will be a source of gratification to you to know that your wife's name has been linked with this great Center of healing, teaching and research, and that this gift in her memory will bring health and comfort to countless patients in Israel who are in such urgent need of it.

Hadassah is extremely grateful for this gift in your wife's memory.

Cordially yours,

Enc.
