

BATH, ME.

An enjoyable dance and reception was given by the "Happy Twenty" at the Parish House last Tuesday evening in honor of the many Jewish young men who have recently arrived in the shipping city. The Naam's Girls' Club were also guests of the occasion and several visitors were present from Portland and Lewiston. During the intermission, refreshments were served and President Feldman, in a brief address, welcomed the guests into the ranks of the "Happy Twenty." The committee in charge of the affair was: Charles Mikelsky, chairman; Louis Jacobs and Herbert W. Goddard.
