**CENTER YOUTH INSTALLS**—New officers of the Youth Assembly of the Jewish Community Center who were installed Saturday night are pictured here with three of the special guests. They are, left to right, David Cohen, treasurer; Rosalyn Cohen, recording secretary; Debbie Cohen, senior representatives, Joan Katz, corresponding secretary; Ann Salk, vice president; Ruth Katz, president; Charles Polep, vice chairman of youth activities; Ruth Gordon and Carol Alperen, directors; Arthur Cohen, sophomore representative; Morris A. Baker, youth advisor; and Prof. Ernest P. Muller of Bates College, speaker.

Prof. Muller discussed "The Role of the United Nations in World Peace." The program served as an observance of United Nations Week and decorations were consistent with this theme. Charles Polep, vice president of the center, installed the officers following a 6:30 dinner and Morris D. Kronenfeld, executive director, extended greetings. Dancing followed the program, which was attended by about 70 persons.
