Much has been planned and discussed for the Bangor Center Youth Group this year.

As this paper went to press, plans for Hebrew study groups, Supper Forums, and Teen Towns, were in the making. A trip to Washington, D.C. is being planned along with countless other events. It sure looks like ~~this~~ this year will be one of the best yet.

L-A Center Youth

The L-A Center Youth Group would like to extend a hearty welcome to Susan Talen from Newton, Mass.

Center Youth's formal, September Song, was a real success. We hope to make this formal an annual event.

A little bird flew in my window the other day from L-A and here is what he had to say.

The Sigma Phi Sigma had quite a mixer with the Bates boys, huh girls?

Where did Merilee hook that big E.L. sweater?

Who's Joanie Blatt's beau that's always calling her?

Heard Linda Winner has been receiving mail from Swampscott via Hebron.

And last but not least, Joe Friedman seems to think that there are plenty of other pebbles on the beach!

As no article was turned in from Central Maine Center Youth, there is no news.

Letter from the Editor

The 1959-60 Center Youth season is now underway. The past years since the assembly has been established have been full of activities sponsored by the local Center Youth Groups. These events would never have taken place had it not been with the aid of our most efficient advisors. Thus, I think it is their turn to be paid tribute, for without them, we wouldn't be. So let us extend a most gracious and hearty thanks to Mr. Lincoln of Bangor, Mr. Kronenfeld of Lewiston-Auburn, Mr. Green of Central Maine, and both Mr. Taylor and Mr. Jeffrys of Portland.
