Message

From

The

President

Lewiston - Auburn Center Youth welcomes you to the "Witch's Serenade Formal". On behalf of the entire Center Youth Group I hope that you will have a very enjoyable evening.

We have all worked very diligently to make this a very pleasant and successful evening. I sincerely want to thank all those who have helped for their wholehearted support.

We are glad you could come. Here's hoping the formal was so enjoyable that we'll see you again next year.

Best Wishes to all,

Alan Gold

President

DANCE PROGRAM

The stars were shining

The moon was bright

And at — — — o'clock when — — — — —

Called for me

I was beaming with delight

We entered the ballroom

With our eyes all aglow

As the band leader announced

“On With The Show”

The music made us swoon

As the band played — — — — —

Our favorite tune

The time seemed to fly

And we soon found ourselves

All saying good-bye

We had so much fun

That we're planning to come back again.
