

They Were There . . .

Shearey Tphiloh Synagogue's last and biggest social affair of the season brought together its directors, and officers of the Sisterhood and Brotherhood at a cocktail party and buffet Sunday in the home of Mr. and Mrs. Bertram Silverman. Among the more than 100 attending were (left to right)

Mr. and Mrs. Jack Goldstein, Mrs. Max Fleischer and Mr. Fleischer, vice president of the synagogue and president of the Brotherhood. Eye-catching centerpiece on buffet was watermelon fruit basket garnished with fresh fruits.
