Mr. Norman Bekoff  
c/o The Nevelk Co.  
Second Street  
Hallowell, Maine

Dear Mr. Bekoff:

It is with deep appreciation that we acknowledge a generous gift for the new Medical Center, contributed by the Augusta-Gardiner Chapter of Hadassah in memory of your beloved wife, Mrs. Norman Bekoff. Our certificate of thanks is enclosed herewith.

The name of your wife will be inscribed in the Book of Memory to be on permanent display under a perpetual light in the Hall of Honor of the new hospital.

We hope you will derive some small measure of consolation from knowing that your wife's name has been permanently linked with this great Center of healing, teaching and research, and that this gift in her memory will bring healing and comfort to thousands of patients in Israel who are in such urgent need of it. We are certain it will interest you to know that we are breaking ground for this new Medical Center on June 5th.

Hadassah is extremely grateful for this generous contribution in memory of your wife.

Cordially yours,
