Dear Mr. Segal:

I have just seen Dr. Wise. He wishes me to say to you that he understands that he can leave New York at 10:30 Standard Time, September 24, in order to deliver an address Thursday evening, September 25th. Dr. Wise is glad to note that Governor Hildreth will also address the gathering.

If the meeting is to be held at the Synagogue of the Hebrew School, there should be a procession, with the donor or the President of the Center, yourself, carrying the Sefer, after which Dr. Wise will offer the prayer of dedication before the Sefer is placed in the Ark.

Dr. Wise sends you cordial greeting.

Sincerely yours,

*Leona Schwartz*  
Acting Secretary to Dr. Wise
