Dear Chapter President:

At our recent Convention held in San Francisco, the Finance Committee again recommended that we refund to each Chapter a sum of 25 cents per member from National administration funds. In view of the need for additional funds for Chapter administration, the Convention readily approved the recommendation.

We are happy, therefore, to send you our check for \$ 9.50 based on your 1948-49 membership of 38 . This includes your B & P figure of members and we would ask that you turn over to the B & P Division their share, figured at the same 25 cents per member. Will you please deposit the check at once.

We know you will use this subvention towards furthering your work along the lines of increased membership and also in your fund raising and education activities. The attached card is to be filled in and returned to us as soon as you have deposited your check. We should like you to indicate how you plan to use the refund to strengthen your Chapter's position in the community.

Cordial Hadassah greetings.

Sincerely yours,

Abraham Tulin
