## **Store Will Close Its Doors in the Near Future After Long Serv- ice in Bath**

---

Hartnett's Furniture Store at 148 Front street will close its doors shortly after many years of existence in Bath's business district. Morris S. Povich, clothier at 143 Front street, purchased the entire stock of the store Friday afternoon from Edward N. Hartnett, son of the late Fred W. Hartnett.

The business was transacted through Attorney John P. Carey Jr. Mr. Povich has no definite plans as to what he will do with the stock but in probability will resell it.

The store opened many years ago under the proprietorship of S. D. Haley and later was taken over by George H. Snell, who in turn was succeeded by the Atkinson House Furnishing Co., and later still J. M. Hayes took the business over. The late Fred W. Hartnett had a half interest with Mr. Hayes and about 10 years ago took over the entire business.
