

# JEWISH BOYS' PARTY HELD AT SYNAGOGUE

---

Another in the series of parties for Jewish boys in armed services was held Tuesday evening at Beth Israel synagogue with Lt Col Raymond Lang and Chaplain Henry Bernstein, both of the United States Army and stationed at Ft. Williams as guests along with several of the boys from nearby army posts.

The regular army service was conducted by Chaplain Bernstein following which Col Lang gave a very fine and interesting talk. Refreshments were served and a social evening enjoyed by all. Several civilian members of the community were present also. These parties are proving very popular with the boys and will be continued until further notice.
