In 1919, there seems to have been 30 members in the women's group with two names added in pencil, namely, Lizzie Gordon and Mrs. Kutz.

At the bottom of the note book page are added the names of 7 women who lived in Brunswick.

The Bath Names are: Arik, Arrenstan, Abramson, Bloom, Brown, Cohen, Dorfman Green, Gedimen B., J. Goldstein, M. Goldstein, Gordon, Greenblatt, Harris, Fine, Isaacson, Levin (without "e") Miller, J. Mack, S. Mack, N. Petlock, S. Povich, N. Povich, M.S. Povich, Persky, Solovitch, Small, Phamban, (30) Savage, Weinblatt.

Then in pencil, Lizzie Gordon and Mrs. Kutz. (32)

Later: (on page) Abelon, H. Mack, Smith, M. Singer, J. Davis, Gold, Rosen.

(These people paid for something as it shows on account)

That all came from (seemingly) the treasurer's book.

In 1921, Mrs. Greenblatt was pres., Mrs. D Rosen was V.P., Mrs. M. S. Povich was rec. secy and Mrs. M Kutz was financial secy. Mrs. M. Cohen was treas. Mr. Greenblatt was the committee man from Bnai Brith and on Nov. 27, 1921, he spoke to the ladies about an auxiliary to the men's lodge. Decision with the ladies was withheld until a later meeting. This meeting, it is noted, adjourned at 10:30 p.m.

In Dec. of 1921, dues amounted acc. to the books to \$655.00. Mrs. M. Cohen donated a crocheted yoke to be raffled off. When it was raffled, it was won by Mrs. A. Miller. The decision for a ladies group to the Bnai Brith was considered inadvisable but the women voted to help the men whenever necessary. Obviously, these ladies had plenty of time as handwork was collected in a box and aprons were brought to a December meeting and sold. Consternation among the group because chanukah candles had not yet arrived.

At a Dec. meeting, tea was served from a samovar. The silver offering was \$1.75

Jan. 15, 1922 meeting concerned the affair for opening the new shul

Jan. 22, seven days later if you please, the meeting concerned a report on interviewing delinquent members. A committee is appointed for the opening of the shule but no names given. Girls from the YWHA were asked to serve as ushers for the affair.

Feb. 19, 1922, One of the first social gatherings in the new synagog was held this day. Chief event was the hanging of the new mantle on the Torah, also new draperies on windows. Possibly the latter was donated by the YWHA. A new clock was installed in the hall. Donated by Hebrew Juniors!

In good old colonial style, the draperies were auctioned off and those who bought them, hung them! Morris S. Povich hung the mantle. It cost him \$10.

On April 23 of that year, the discussion at the meeting concerned the finishing of the Mikva. Whether the treasury was to pay or the individuals was an all-time high question. It was left for the next meeting giving the mbrs time to consider. At the april 30th meeting, the treasury was to pay for the Mikva and the society was to investigate systems suitable. Mkva notwithstanding, the meeting adjourned at 9:30.

I did not find out more about this commodity as it is not mentioned again in any of the following meetings. Disappointment, indeed.

In May 1922, Mrs. A. Miller was president and Mrs. M.S.Povich was Rec. secy.

At this point, I want to thank Eva for her fine penmanship and well kept notes.

Sep. 23, a lawn party was held jointly with the YWHA. Successful.

Voted to change the meetings from synagog to the homes.

* Mrs. Rosen invited the group to meet with her in Brunswick for Sep. 17 This must have happened at an earlier meeting.

Nov. 19, Mrs. Arik donated a piano to the shule. This piano business goes on thruout the years and I have no idea what happened to pianos that came and seemingly went. Mrs. N. Povich read a story in yiddish, which also happened on and off thruout the early years.

Having heard some of these stories ^{in the 30's} they were a treat.

On Dec. 17, 1922, there was a chicken supper. Just for the birds, here is the menu: chopped liver, roast chicken, mashed potatoes, green peas, cranberry sauce, sweet pickles, cucumber pickles, sourkraut, lemon and apple pie, tea. Price 75¢. All food donated. The influence of Am. cookings is felt.

Dec. 31, 1922, Mrs. M. Cohen, president

Feb. 1923, the women met and tacked a quilt in good American fashion.

Society took charge of passover orders. Matzos were ordered directly from Cincinnati by Mrs. Greenblatt. The next 3 meetings are concerned with the orders.

April 29, 1923, Mrs. S. Levin is president. A blintza and coffee social is planned for Shuvath. It was held May 22.

June 10, a picnic was held at Thomas' Point from what is written. Families are to take their own food and an athletic program was scheduled.

June 24, 1923, there was an election of officers. This is written in yiddish. Mrs. D. Rosen is president and Mrs. S. Greenblatt scy.

Printed cards for meetings is mentioned.

I hope these yiddish notes by Mrs. Greenblatt are kept for always. To me, they represent the passing of an era. Mrs. Greenblatt's transliteration from English into yiddish is priceless. She used freedom and verve.

For instance: Someone's hut donated a booby prize. 'Gewonnen by' The unvensenheit of 10 members collected.... means the presence of so many members brought a collection of so much....

Also: 50¢ "fufzig cent is areingeworfen in gas".....

Seemingly the ladies met every week at this time.

Jan. 6, 1924, a supper planned for the 15th was to cost 50¢ for the adults 25¢ for the children.

Jan. 27, 1924, Mrs. B. Gedimen became president with Mrs. Greenblatt, rec. secy.

January 1925 was a short meeting. Pages are missing.

Feb. 21, 1926, the meeting had 10 members and this was good as heretofore some meetings mentioned 7 or 8. Orders for Passover were taken. Mrs. Weinblatt is mentioned as writing for something but Abe Kramer could not read it. The writing in pencil is blurred.

Jan. 9, 1927. This meeting discusses the sale of a bathTub. We think it might be the mickvah.

Jan. 23, 1927, A report from the men confirms the fixing of the bathroom - probably the wash rooms. Mrs. M. Cohen is president and Mrs. M.S. Povich becomes the rec. secy.

Feb 6, 1927, Mrs. B. Gedimen announced the kitchen was properly arranged. Passove orders in the news!

Mar 20, a Purim supper was a huge success. Everyone seemed to have had so much fun at these affairs. The menu was baked haddock, etc.

March 27, the Society voted \$500 for a permanent altar to be built. Contracts are to be given out. The gas stove is moved from the small kitchen to the new one

April 10, Mds Cohen, Kutz, Gedimen and Povich retire UPSTAIRS to put up the Passover orders, matzos and grocery orders always separate.

A rummage sale is mentioned for the first time.

May 10, the rummage sale netted \$40 with \$3 expenses. Held at 22 Center St.

Another sumptuous chicken supper is planned for May 30.

The younger girls are to be waitresses and a 3 piece orchestra is to be found. This may have been the Dedication of the new altar.

June 12, 1927. A fantastic report ~~of~~^{of} a colored Jew named Abraham Simonovitz appeared and - quote "upon the story of his circumcision" was given \$4.

He spoke on Judaism. At this meeting, Mrs. Cohen reported on the Dedication (of the altar?) and the chicken supper.

Dec. 18, There is a reference to the YMHA and the YWHA who were giving a supper in the shul at an early date.

Mrs. N. Povich was to meet with the men to have a flush repaired.

January 15, 1928: " new ruling passed that officers serve according to the alphabet. Length of term 6 months. Mrs. M. Cohen is still president and secy is Mrs. A. Gedimen.

May 1928, Mrs. Gedimen is president and Mrs. S. Greenblatt rec. secy.

There is only one entry by Mrs. Greenblatt in yiddish which I did not have time to have read by Abe. It is beautiful penmanship, yiddish of course.

August 1928, Mrs. M. Kutz is secy.

Talka and Sadie have penmanships which I hardly admire. Dad as mine.

Mrs. Kutz's reports are short and to the point. The men reported via the secy got \$750.00 from the Davenport fund.

Feb. 3, 1929, President Mrs. A. Gedimen, Rec Secy is Belle Levine. Her penmanship is legible.

June 2, 1929, Whist party in shul, Adm. 25¢ Mrs. Cogan won first prize.

Oct. 27, a report of \$10.60 from a whist party is given and it is to be donated to the Old Folks Home in Portland.

Nov. 24, 1929, Mrs. A. Gedimen was appointed to visit a new family in town.

Jan. 30, 1929 Mrs. Max Kutz is president

NOTHING FOR 1930, 31 and 32 except from my own diary: Nov. 1930 Mrs. M. Cohen

having just returned from a trip to Europe to visit Mr. Cohen's father &

family, called on Mrs. Jos. I. Smith, just in town 6 weeks.

All the Cohens of that time went to Europe.

1933 meetings are not written up in note form but in agenda form. Possibly that book, too, is missing. The writing here is Ann Cogan's.

1934 still looks like Ann Cogan's writing and we have:

January, 1934, Mrs. Gedimen (?) was appointed to give a prayer at meeting

THERE IS NOTHING FOR 1935, 36, 37 and 38. Anyone have the books?

A discussion of pews took place. Nothing more is said.

Oct. 2, 1939, We got into a kitchen key entanglement which went on for years.

A few new tables were to be built.

We were supposed to meet with Mrs. May on Dec. 24 but nothing came of it.
