

Jewish Home Receives Gifts

President Charles Rosenbloom of the Jewish Home for the Aged acknowledges to Mrs. Harry Potter receipt of gifts to the home from her children in honor of her 80th birthday. The gifts are a movie projector, screen and sound amplifier. Mrs. Potter, a member of the home's first board of directors in 1928-29, was hostess Wednesday afternoon at a party for residents. She has continued on the board and a son, Arnold Potter, is a board member. (By Staff Photographer Johnson)
