## Hebrew School to Open September 14 Mr. Eisemann Appointed Principal

Mr. and Mrs. Meier Eisemann, who have been engaged as teachers in our Hebrew School, will greet our students on Monday, September 14th.

Mr. Eisemann, who came to Bangor from a teaching position at the Southport Talmud Torah, England, was born in Frankfort, Germany. Mr. Eisemann and his parents left Germany in 1937, and settled in England. He received his education at Highberry County

School, Pitman College, London, and Teachers Training College of the Jewish Secondary School Movement.

He became a member of the Avigdor High School in 1942 and in 1951 was appointed principal of the Southport Talmud Torah.

Mrs. Eisemann studied at Gateshead Teachers Training College and Green Lane Nursery. She served as a teacher at the Southport Talmud Torah.

### Rabbi's Message 1953-5714

Standing upon the threshold of a new year, the world scene presents unpredictable potentialities for either good or evil. In these days of mechanized force, every human resource and every human failing can be magnified beyond measure—for balance is extremely delicate—the slightest pull to the right or to the left can prove to be decisive.

We of the Jewish faith believe in the power of GOOD—that GOODNESS is contagious—that the GOOD can conquer evil; and we Jews believe that Judaism is a tremendous force to the GOOD.

And so on the eve of a new year, let us determine to emphasize the Jewish aspect of our lives. There is a plentitude of non-Judaism and un-Jewishness in our world and a great and terrible dearth of positive Jewish living. Let us face the challenge of tomorrow. We Jews who are worthy of our heritage, let us—we who are the Jews of Bangor—accept our full measure of Jewish responsibility. Let us take our Jewish institutions seriously—our Center, our Hebrew School, our Synagogues, our Jewish homes, our G-D, our faith, and may G-D's grace be with us this year and always.

Rabbi Avraham Freedman

### Greeting Extended by City

New Year's greetings to the Jewish members of the Bangor Community. May the new year be a happy one for you all. May it also be a year in which we all draw closer together as a community, a year in which further progress can be made in understanding and friendship between people of different faiths and different races.

It seems to me that one of the greatest elements of strength in this relatively young country has been the fact that it has had successive infusions of many different national and cultural groups. As a nation, we have a diverse population held together by the powerful unifying force of citizenship in and loyalty to our country. Bangor is representative of the nation at large in this respect, a
