Ariel Burger is an author, artist, and teacher whose work integrates spirituality, the arts, and strategies for social change. Ariel received his PhD in Jewish Studies and Conflict Resolution under Elie Wiesel.

A devoted protégé and friend of one of the world's great thinkers takes us into the sacred space of the classroom, showing Holocaust survivor and Nobel Peace Prize recipient Elie Wiesel not only as an extraordinary human being, but as a master teacher.

Witness opens an intimate window into Elie Wiesel's classroom, in which conversations about ethics, activism, spirituality, and literature transformed the lives of students from around the world.

Burger, one of Wiesel's closest students, recounts his story of meeting the Nobel laureate at age 15, becoming his student, and then teaching assistant, and eventually a teacher in his own right. Weaving together memoir and stories from the classroom, Burger reflects on how Wiesel's message might be applied today.

"Witness [is] a beautiful, deeply moving memoir by Ariel Burger...[which] asks many questions, such as: What does it mean to be a teacher? What does it mean to be a student? How can you lead a moral life? Witness makes a case for the power of teaching, and for words as perhaps the ultimate teachers of how to live." — [Chicago Tribune](#)
