

Dear Friend,

As we look back on 2021, we can't help but feel proud of what we've accomplished in challenging times and grateful for the support we've received from our community.

**Our 2021 Weekend Edition series of free online films and discussions, presented high quality films to an expanding audience. In October, we were able to offer two excellent films for an online Yiddish Festival. And in November, the second Virtual Maine Jewish Film Festival featured an engaging mix of dramas, documentaries and discussions to an enthusiastic audience.**

One of our 2021 online attendees commented, "Thank you again for another year of impressive films!" Our ability to continue our mission to enrich, educate and entertain a diverse community about the global Jewish experience was only possible thanks to the enthusiasm and generosity of our supporters.

**If you agree and have not previously contributed, please consider making a gift to help sustain the unique experiences created by our programs. If you have given before, please consider renewing your support.**

On behalf of the MJFF staff and Board of Directors, thank you again to everyone who ensures that this Maine cultural resource continues to flourish. And best wishes for a very Happy New Year!
