Dear Friends of the Maine Jewish Museum,

We are grateful to you, our supporters, for helping to bring our dream of a Maine Jewish museum, so close to fruition!

The Maine Jewish Museum is a unique institution, a link between past and contemporary Jewish life. We are a vibrant resource in the community for Jews and non-Jews alike. We host tours for school groups and visitors from all over Maine, the United States and the world, highlighting immigration and the rich ethnic diversity of our neighborhood. The Spiegel Art Gallery offers the best of art world luminaries. The Fineberg Family Community Room now accommodates larger audiences for a variety of cultural events and is a community resource where all are welcome. The restored building, which is now completely handicapped accessible (with brand new handicapped accessible restrooms and a beautiful elevator allowing access to all three floors of the museum to everyone), holds a growing history of Maine's Jewish past. Additionally, the Maine Jewish Museum is a desired location for lectures, live music and live theatre.

In the coming year, we plan to finish final renovations of the building (converting our former restroom space into much needed administrative office space for both Etz Chaim Synagogue and the Maine Jewish Museum), continue our mission of fostering understanding and dialogue among diverse groups and expand our museum exhibit presence in a way that is beneficial to all of our visitors while continuing to offer free admission.

In the service of accomplishing these goals, we ask, as this year draws to a close, that you contribute at the level that feels right to you. We can't do it alone. Please help us continue this exciting work by pledging your support today!

Thank you,
