#GIVINGTUESDAY

**December 3, 2019**

**Join the Maine Jewish Museum  
In giving back through this global day of giving!**

Your support of MJM, allows us to not only keep our doors open and offer programming, but also to continue to showcase Maine Artists to the Portland Maine community!

This year, as we celebrated the induction of the 2019 Class of the Maine Jewish Hall of Fame, many speakers alluded to the difficult environment we face not only in this country, but around the world, of increasing levels of hate and anti-semitism. We have had an educational program at the Maine Jewish Museum for many years, started by our founding Executive Director, Rabbi Gary Berenson, which brings in school groups from around Southern Maine, both private and public, to educate them about Judaism, anti-semitism, and the mission of the Museum to celebrate Maine Jewish History, Culture and Art.

For many of these children, it's their first exposure to Judaism or even their first time meeting a Jew. **We believe strongly that education is the best way to combat anti-semitism and this year, we want to significantly expand this program to reach more classrooms and students.**

To do so **we need your help** to create PR materials and visual aids for presentations, hire admin help to schedule and organize school visits, and train additional presenters who can augment what Rabbi Berenson is able to do himself.

**Please help us achieve success with this important program!**
