to a special evening as we host the

FIDF programs are transforming Israeli society,
one soldier at a time.

From behavioral rehabilitation for youth who struggle with emotional issues or addiction, to four-year scholarships for soldiers from low socio-economic backgrounds, FIDF's programs provide opportunities for a brighter future. The resulting societal benefits and professional contributions to Israel's economy are impacting the entire country.

**Come meet IDF soldiers whose lives
have been changed and hear how
that's enriching their communities.**

Nadav Attar

Deputy Company Commander of the Havat Hashomer Base

Nadav was a combat officer with many years of experience in military intelligence. Upon transitioning to the Education Corps, Nadav found a

Alex Sokolov

Staff Sargent

After immigrating with his family from the Ukraine, Alex persevered through difficult childhood circumstances to eventually become a Staff Sargent in the IDF. Determined to succeed despite his obstacles, he took advantage of an academic scholarship and is currently in his final year of university study in industrial design.

We hope to see you there!
