## board update

### From the President

December saw another productive meeting of the TBE Board. I was pleased with how the Social Kashrut discussion came together and helped us begin thinking and talking about our strategic priority on inclusion. The rollout of TBE's fresh new logo is very exciting. I expect that it will be as well received by our members as it was by the Board. I hope that everyone had a wonderful Hanukkah celebration this past week and wish all a Shabbat Shalom!

### Meeting Summary

Kate and Rabbi Braun updated the Board on everything that has been going on at the synagogue, from Chanukah to building projects, fundraising to rebranding. Josh Rosen and Rabbi introduced TBE's new inclusion and multiculturalism initiative, Social Kashrut, and the Board did an exercise to identify personal touch points at TBE. Josh Filler gave a financial update and we went over a few training opportunities through USCJ that are coming up.
