

Adas Yoshuron sponsors and hosts the annual Easter Day Community Dinner with the help of volunteers. It is a big undertaking that benefits people from all around the area who would otherwise not be able to enjoy a holiday meal, or would be alone at a time that they could use connection.

Help is needed with food prep, set up, serving, clean up, and other related tasks.

If you are able to help in any way, please visit and complete the link [Easter Community Dinner 2018 Volunteer Form](#).

The dinner is Sunday, April 1, at St. Peter's Episcopal Church in Rockland. Serving starts at noon.

Your help is much appreciated.
