

CENTER FOR
SMALL TOWN
JEWISH LIFE

January 5, 2018

The Center for Small Town Jewish Life is proud to announce that the Covenant Foundation has made a significant investment in our future. As recipients of a Covenant Signature Grant, we now have the resources to expand our core programming and support our incredible staff. The Center staff is thrilled to receive this endorsement and to be recognized as national leaders in the field of Jewish innovation, education, and service.

The Covenant Foundation believes those with the creativity and passion to be catalysts for change and innovation in Jewish education are worthy of recognition and support. By honoring outstanding Jewish educators and supporting creative approaches to programming, the Foundation works to strengthen educational endeavors that perpetuate the identity, continuity, and heritage of the Jewish people.
