

CENTER FOR SMALL TOWN JEWISH LIFE

Rosh Hashanah 5782

Dear Friends of the Center,

On this last day of 5781, we invite you to listen to words of Torah for this remarkable time from our executive director, Rabbi Rachel Isaacs. As the year turns, we are thinking of you and of all the gifts you bring to Jewish life across the state of Maine. We send our most heartfelt wishes for a year of good health, of peace, and of shared joys and creativity.

With gratitude, and with hope, we wish you a *Shanah Tovah u'Metukah*, a good and sweet new year.

The Center Staff

"In 5782 we need to have the faith to keep on creating, to keep illustrating the Jewish future that we want and need."
