

# THE ASSEMBLER

## A FINAL MESSAGE FROM THE EDITOR

For the last time this year, THE ASSEMBLER has gone to press. It has given me a great deal of personal joy, satisfaction, and, oh yes, headaches too to have been editor of this newspaper.

Next year, I hope that the paper will become a stronger voice and influence in Center Youth. Only you, the members of Center Youth, can accomplish this by giving the paper your increased support.

I wish to sincerely thank everyone who has contributed to THE ASSEMBLER this year, helping to make it a better paper.

C. aren't we Sherrie-- Stan, Mr. Hawks is calling you. Campaigns were a blast. Penny, you're fined-- 32 more days!!

Remember that little man with the big ears from Lewiston?? Well, it seemed that nothing much of interest went on in that fair city this winter, so he just died of boredom. Better watch out that you Lewiston kids don't do the same!!!!

Center Youth is very proud of its leaders. Usually these leaders are not only active in Center Youth, but in school and community life also. This edition of THE ASSEMBLER would like to salute two of Center Youth's busiest and most valuable members, Howard Feldman and Ellen Winner.

#### HOWIE FELDMAN

by Rebecca Meltzer

The ASSEMBLER would like to pay tribute to an outstanding senior from Lewiston-Auburn, Howard Feldman.

This year he has held two major offices in Center Youth, President of the Lewiston-Auburn group and Vice President of the State Assembly, working hard and achieving his goals in each.

In his junior year he was Vice President of the local group and chairman of the Inter-Center weekend held in Lewiston-Auburn which was very successful.

In both his junior and senior years, he was chosen from the Twin Cities to attend the Jaffrey Convention in New Hampshire which gave him added leadership training to carry out his duties.

In June Howie will graduate from Edward Little High School, and during his four years there he has been an active student. He has been a member of Hi-Y, played basketball, and joined the track and skiing teams. As you can see by these activities, Howie is an all-around boy at school.

He was recently accepted to the Leland Powers School of Broadcasting in Boston, Mass. and will enter the freshman class in September of 1963.

His many friends in Center Youth wish him the very best and we know he will succeed in whatever he sets out to do.

#### ELLEN WINNER

Rarely does one find so devoted a worker as Ellen Winner. No matter what she's doing you can always be sure that it's a job well done. The kids, local and statewide, have shown their confidence in Ellen by electing her Lewiston's local vice president, and State Recording Secretary twice.

Active in debating at school, Ellen's opinions are also heard at Center Youth board and assembly meetings. Her leadership in Center Youth is certainly something that we all value.

Ellen's activities at Lewiston High School are so many that often we wonder if it wouldn't be better for her to just move into the school during the academic year. Although she is an active member and worker of the Future Teachers Club, French Honor Society, Political Science Forum, Debating Club, and the school newspaper staff, she still has managed to be an honor student throughout high school. Ellen also works as a secretary-tutor at the Lewiston-Auburn Hebrew School, thus getting some early training for her desired career in teaching.

Ellen hopes to attend Brandeis where education will be her major. Naturally, we'll all expect to see her as president of one of our leading colleges some day.

We wish Ellen all the mazel in the world, but we doubt if she needs it, for her name itself certainly signifies that she'll always be a real "Winner."

#### THE FRESHMAN

by Cynthia Hayman

The Center Youth members from Lewiston-Auburn are very proud of their twenty freshman members.

Many of the freshmen boys have participated in basketball. They have completed a very successful season, placing second in the city Church League.

The freshmen have taken advantage of the past Inter-Centers in Portland and Lewiston making many new friends from all the cities in Maine. Correspondence between these new friends has been such that the United States Mail will soon lower the postal rates just for us.

On behalf of the freshman, I would like to thank Bangor for this most enjoyable Inter-Center.
